PROFESSIONAL SUMMARY

MCA graduate with a strong foundation in Python, JavaScript, React.js, Node.js, HTML, CSS, and SQL. Hands-on experience in developing full-stack web applications and machine learning-based projects through academic projects and practical training. Familiar with database management, CRUD operations, and responsive web development. Eager to apply technical skills, learn new technologies, and contribute to building efficient and user-friendly software solutions as a Full Stack Developer.

TECHNICAL SKILLS

- **Programming:** Python, JavaScript
- **Frontend:** HTML5, CSS3, React.js
- **Backend:** Node.js, FastAPI (Basic Knowledge)
- **Databases:** PostgreSQL, MySQL
- **Core Concepts:** CRUD Operations, Machine Learning, Database Management
- **Tools:** Git, GitHub, phpMyAdmin

PROJECTS

ML-Based Diabetes & Stroke Risk Prediction and Patient Management System

- Developed a healthcare web application to assess diabetes and stroke risk using machine learning.
- Implemented doctor recommendations, appointment booking, and patient management features.
- Built an interactive frontend using React.js to collect user inputs and display prediction results.

Technologies: Python, Machine Learning, FastAPI, React.js, PostgreSQL.

Repository: GitHub-raviraj-e/ML-Based-Project

Student Result Management System

- Created a web-based application to manage student records and examination results.
- Executed CRUD operations for creating, viewing, updating, and deleting records.
- Designed a user-friendly interface using HTML, CSS, and JavaScript.

Technologies: HTML, CSS, JavaScript, PHP, SQL.

Repository: GitHub - raviraj-e/Students-Result-Management-System

INTERNSHIP & TRAINING

Web Development Intern | Internzvalley

- Created responsive web pages using HTML, CSS, and JavaScript.
- Applied debugging and problem-solving techniques to improve website functionality.

Python Full Stack Development Training | Besant Technologies

- Completed practical training in Python, HTML, CSS, JavaScript, React.js, and MySQL.
- Built responsive web applications through hands-on exercises and projects.

EDUCATION

Master of Computer Applications (MCA) | Dhanalakshmi Srinivasan College of Engineering & Technology, Mamallapuram. | 2024–2026 | **81%**

Bachelor of Computer Applications (BCA) | Dhanalakshmi Srinivasan Arts & Science Co-Ed College, Mamallapuram. | 2021–2024 | **74%**

CERTIFICATIONS

- **React.js** — GeeksforGeeks
- **Full Stack Development** — Microtech
- **Python Basics —** GeeksforGeeks
- **Python Full Stack Development —** Besant Technologies
